

SSHS Performing Arts Boosters

OUR STORY

Santa Susana Performing Arts Boosters was founded to provide better opportunities for our talented students! We are a volunteer organization that meets monthly and offers many opportunities for parents to contribute time or funds to help all students in the arts participate and develop their talents.

BENEFITS

Here are just some of the ways our organization helps:

- Publicity for performances
- Senior Scholarship Awards (parents must be Booster members by March 31st to be eligible)
- Financial assistance for needed supplies and performances for all Performing Arts departments
- Fundraising for new equipment
- Organize and run concessions at all Santa Su performance events
- "Tech Week" Support

Being a Booster member also benefits families:

- Early access to purchase tickets before the general public
- \$5 discounts on matinee performances (may only be purchased through student store to receive discount)
- Leadership opportunities and community service for parents, students or other family members (which always looks good on a resume or college application)
- The opportunity to make a difference and be an important part of your student's exciting high school experience by participating in their involvement in the arts!
