Leadership and Club Membership

I have been on Thespian board for two years as Treasurer and Public Relations Officer. As the Treasurer, I worked with Mrs. Lang and handled the budgets. I am currently the Public Relations Officer for the 2016/2017. This position entails distribution posters, contacting outside organizations to get the word out about the shows we are presenting, using social media to promote our shows and trying to come up with new opportunities to make more money.

I have been a member in the following school clubs: Thespian Club (4 years); Improv Club (4 years); Jam Club (2 years), Key Club (1 year)
